About the Trainer

Chandramouli Chandrasekaran, better known by his stage name - Karthik Sekaran is a trained Carnatic vocalist under the tutelage of Late. Sh. S.V. Ramani Bhagavathar, Delhi. He is a multi-instrumentalist, a music producer and a vocal coach.

He specializes in creating and delivering unique training programs both in music education as well as using music-based approach towards team building which is conducted under the banner of Vocaler (www.vocaler.in). The music education programs adopt a strong foundation in Carnatic Music and then branch out to various other styles.

Currently, there are more than 1000 students in various training programs from around the globe.
